

Rectangle filter connector

Rectangle filter connector includes MIL-DTL-24308 and Chinese military standard connector, such as J7, J14, J29, J36, J44, J45, JD, JQ, CJ, SB, etc

Part number

M24308/3-16F	-L	C	103
Original part number			
Filter connector			
Type of filter			
C, π			
Code of electric capacity			

Characteristic of filter capacity

band	circuit	capacity (PF)		Minimum attenuation at dB																								
				temperature 25°C												temperature -55°C ~ 125 °C												
				0.01	0.03	0.1	0.3	1	3	10	30	100	300	1000	0.01	0.03	0.1	0.3	1	3	10	30	100	300	1000			
A	C	80	200									3	10	20											2	8	17	
	π												3	15	25											2	13	20
